

CoC Training: COVID-19

Vaccines for: Mental Health & Substance Use Clients

Wednesday, 4/07 at 12:30PM

Mandatory for providers

We are happy to announce a training that will try to answer all questions related to the vaccination process and will provide insight into the topic. This training, hosted by Behavioral Health Division for all behavioral health providers, serving clients experiencing Mental Health or Substance use, in partnership with the CCHS Public Health Department will provide a general overview of the COVID-19 vaccination process and equip you and your staff with the knowledge needed to properly navigate the topic with your clientele. Public health providers will be present at the call to answer any questions that may arise. Please invite ALL your staff so that everyone gets the most accurate and up to date information.
