

## FY 2022 CoC Special NOFO CoC Application Process

### CONTRA COSTA COC APPLICATION PROCESS

This document is a tool to support the fair, transparent, and objective administration of the HUD CoC Program Competition process for the CoC Special Notice of Funding Opportunity (NOFO) to Address Unsheltered and Rural Homelessness. The following sections outline the Council on Homelessness's policies as related to designing, operating and following a collaborative local process for the development of HUD Continuum of Care Program applications and approval of submission of applications as required by C.F.R. 578.9.

#### **Section 1. APPLICATION OVERVIEW**

The Council on Homelessness (Council) prepares and oversees the applications for funds administered by HUD under the HEARTH Act. The Council on Homelessness is designed to assist individuals—including unaccompanied youth—and families experiencing homelessness and to provide the services needed to help individuals move into transitional and permanent housing, with the goal of long-term stability. The Council oversees the CoC's application for funds awarded through the Special NOFO national competition. This funding opportunity is separate from the Annual NOFO competition, also facilitated by the Council.

#### **Section 2. COLLABORATIVE APPLICANT**

The Council designates Contra Costa County Health, Housing, and Homeless Services Division as the annual HUD CoC Program Collaborative Applicant. The Collaborative Applicant (or its designee) is responsible for leading and supporting all aspects of the annual HUD CoC Program application process, including submission of the Consolidated Application consisting of 1) the CoC Application, including the CoC's Plan for Serving Individuals and Families Experiencing Homelessness with Severe Service Needs; 2) the CoC's Priority List of Projects; and 3) all Project Applications.

The Collaborative Applicant may identify and designate a neutral third party to facilitate the CoC Program Competition, including facilitating the development of scoring tools, implementation of technical assistance, support drafting the CoC application, and administration of the project application review and ranking process.

#### **Section 3. OVERVIEW OF PROJECT REVIEW PROCESS AND APPLICATION SUBMISSION TIMELINE**

Upon release of the CoC Supplemental to Address Unsheltered and Rural Homelessness (Special NOFO), the Collaborative Applicant (or its designee) will coordinate and carry out all of activities needed to successfully submit an application on behalf of the CoC. The following is an overview of the local

### **Section 4. SCORING TOOLS**

The CoC/ESG Committee will convene to design scoring tools and any corresponding local application materials to assist in the CoC review and ranking of all project applications.

The scoring tools will take into consideration both local and HUD priorities, including projects serving populations with severe needs and vulnerabilities, such as persons experiencing unsheltered homelessness, persons experiencing chronic homelessness, mental illness, substance use disorders, and survivors of domestic violence.

The scoring tools may also establish threshold criteria reflective of local and HUD priorities, which all project applications are expected to meet. These criteria may include factors such as coordinated entry and HMIS participation and compliance with Fair Housing and Equal Access rules and requirements.

The scoring tools will be finalized and presented to the Council for review and approval. The Council may initiate additional revisions to the scoring tools and local application materials if warranted based on new information about HUD priorities or process requirements contained in the Special NOFO.

### **Section 5. TECHNICAL ASSISTANCE**

A Technical Assistance Workshop will be scheduled for prospective applicants. These details will be distributed to the entire CoC.

All potential applicants must participate in the HUD CoC Program Technical Assistance Workshop for the Special NOFO. At the workshop, a third-party facilitator will present an overview of the HUD CoC Special NOFO, including details about available funding, eligible project types, and eligible project expenses. Applicants will also be oriented to the process for reviewing and ranking applications, which will cover any supplemental local application materials, the scoring tool, and relevant dates and deadlines. Applicants will also have a chance to ask any questions about both the local and HUD application processes.

Throughout the CoC Special NOFO Program Competition technical assistance will be available to all project applicants. Technical assistance for new and returning project applicants is designed to:

- explain the application process, including use of the application submissions portal,
- explain the Special NOFO funding opportunities, and
- provide training and support for prospective applicants to ensure eligible and competitive applications.

### **Section 6. PROJECT APPLICATIONS & SUBMISSION**

Project applications are submitted online through a designated process.

The project applications mirror the project scoring tools and solicit information necessary for the Review & Rank Panel to consistently score applicant responses using the objective criteria outlined in the tools. The application will likely require information related to: consistency with HUD and local priorities, agency capacity and readiness, project scope and design, and efficient use of funds.

Applicants complete the project applications not less than 30 days prior to the NOFO submission deadline, and in alignment with any local deadlines advertised. Technical assistance is available to support projects with accessing and entering their project information in e-snaps.

### **Section 7. LOCAL REVIEW & RANK PROCESS**

The next stage in the competition requires an evaluation of project applications. The Review and Rank Panel is responsible for conducting this evaluation and ranking process.

#### **A. PANEL MEMBERSHIP**

The Council designates between three and five of its members to serve as CoC Review and Rank Panelists. CoC Review and Rank Panelists must be:

## FY2022 COC SPECIAL NOFO – COC APPLICATION PROCESS

- Knowledgeable about homelessness and housing in the community and broadly representative of the relevant sectors, subpopulations, and geographic areas;
- “Neutral,” meaning that they are not employees, staff, or otherwise have a business or personal conflict of interest with the applicant organizations;
- Familiar with housing and homeless needs within Contra Costa County; and
- Willing to review projects with the best interest of homeless persons in mind.

To serve on the CoC Review and Rank Panel, members must:

- Sign a statement declaring that they have no conflict of interest and a confidentiality agreement; and
- Be able to dedicate time for application review and CoC Review and Rank Panel meetings as scheduled by the Collaborative Applicant.
- Any late application received within 24 hours of the due date/time will receive a 15 point score reduction. Late applications received after 24 hours will not be accepted.
- Incomplete applications cannot be cured for the CoC Review and Rank Panel scoring process but must be corrected prior to HUD submission.

Qualified, non-conflicted CoC Review and Rank Panel members are recruited and oriented to the local review and ranking process.

### B. REVIEW & RANK METHODOLOGY

The CoC Review and Rank Panel members receive all local application and scoring materials and evaluate and score each program’s application.

Panel members are encouraged to individually review and pre-score applications using the scoring tools prior to the Review and Rank Panel meeting collectively. The CoC Review and Rank Panel meets to collectively evaluate each application and interview applicants.

The ranked list is created by the following procedures:

- Project applications are evaluated based on the scoring tool. Those applications that do not meet certain threshold requirements (as detailed on the scoring tool) will not be included on the ranked list.
- The Review and Rank Panel evaluates the quantitative and qualitative data consistent with the objective criteria in the scoring tool and assigns a score.

## FY2022 COC SPECIAL NOFO – COC APPLICATION PROCESS

- Projects are ranked in the Priority Listing in order of their assigned score.
- The CoC Planning grant will be ranked at the top of the Priority Listing. The Review and Rank Panel have the authority to determine the rank of the HMIS and Coordinated Entry grants to balance the resource needs to support the administrative functions of the CoC and maximize the number of housing units and supportive services secured.
- Based on community priorities as defined in the scoring tools and to align the CoC's funding request with the amount of available funding, the CoC Review and Rank Panel may request project funding requests to be increased or decreased.

Scoring results are sent to applicants with a reminder of the appeals process at least 15 days before CoC Application deadline. Appeals, if any, are considered in compliance with the Appeals Process detailed in Section 7 below.

A final ranked project list (i.e., the Priority List) is submitted to the Council for review and approval. Upon approval, the Priority List is published.

The Collaborative Applicant collects all final Project Applications and submits them to HUD, along with the CoC Application and Priority List, as part of the CoC's Consolidated Application.

### **.Section 7. APPEALS PROCESS**

All eligible applicants have the opportunity to appeal both their score and preliminary ranking prior to the ranked list being finalized and approved by the Council. The Appeals Committee will only be established if an applicant requests an appeal.

#### **A. THE APPEALS COMMITTEE**

The Appeals Committee will be comprised of four impartial members of the Council: three voting members and one non-voting member. The three voting members will not have participated in the original CoC Review and Rank Panel. The non-voting member must have been a member of the original CoC Review and Rank Panel.

No member of the Appeals Committee may have a conflict of interest with any of the agencies applying for CoC Program funding. All members of the Appeals Committee must sign conflict of interest and confidentiality statements. If there are insufficient Council members who qualify for the appeals committee, a member of the CoC may be designated by the Council to participate in the Appeals Committee.

#### **B. ELIGIBLE APPEALS**

An applicant may be eligible to appeal the decision of the CoC Review and Rank Panel if their project

application:

- Is rejected from inclusion as part of the CoC Consolidated Application submission

To appeal, the applicant must demonstrate that:

- Their score is not reflective of the application information provided, or
- There was bias or unfairness in the process that warrants the appeal.

All appeals must be based on information submitted by the applicant agency by the application due date. No new or late information will be considered. The omission of information (inadvertently or otherwise) from a project application is not grounds for an appeal.

### C. SUBMITTING AN APPEAL

Any and all appeals must be received in writing with supporting documentation within one business day following the notification of ranking to projects.

The notice of appeal must include a written statement specifying in detail the grounds asserted for the appeal. The statement must be signed by an individual authorized to represent the agency (i.e., Executive Director) and submitted to the Collaborative Applicant or the third party facilitator. The notice of appeal is limited to two single-sided, single-spaced pages in 12-point font. The notice of appeal must include a copy of the project application in question and all accompanying materials submitted to the CoC Review and Rank Panel.

### D. THE APPEALS PROCESS

The Appeals Committee will meet with a representative(s) of the agency/collaborative making the notice of appeal to discuss the appeal.

All appeals submitted in compliance with Section 7.B will be read, reviewed and evaluated by the Appeals Committee. The role of the Appeals Committee is to read and review only those areas of the application that are being appealed.

The Appeals Committee will then meet to deliberate. All project applicants will be invited to attend any appeal and each applicant may make a 10-minute statement regarding the appeal.

The Appeals Committee will review the rankings made by the CoC Review and Rank Panel only on the basis of the submitted project application, the two-page appeal, any statements made to the Appeals Committee during the appeals process, and the materials used by the CoC Review and Rank Panel. No new information can be submitted by the applicant or reviewed by the Appeals Committee.

The decision of the Appeals Committee must be supported by a simple majority vote of voting members.

The appealing agency will receive, in writing, the decision of the Appeals Committee within two business

days of the Appeals Committee Meeting. The decision of the Appeals Committee will be final.

### **Section 8. FINAL PRIORITIZED LIST OF APPLICATIONS**

The Council must approve the final ranked list of all Project Applicant proposals. Any Council members with a conflict of interest must recuse themselves from all related discussions and abstain from the vote approving the priority list. The Collaborative Applicant will then submit this prioritized list to HUD by the CoC Program Special NOFO Competition deadline as part of the Consolidated Application. HUD will determine actual awards and funding amounts of project applications, if the CoC is awarded funding through the Special NOFO.
