# Health Care for the Homeless Co-Applicant Governing Board

## **Action Item: 2022-2025 Strategic Plan Planning**

*HCH Board and Rachael Birch, PD*

Version	Mission Statement	Notes
Original	Our mission is to improve the health of the <b>homeless population</b> in Contra Costa County by increasing access to health care <b>with</b> a team-oriented approach to health care that focuses on harm reduction and integration of behavioral and medical services.	
Proposed Update 1	Our mission is to improve the health of the <b>community members experiencing homelessness</b> in Contra Costa County by increasing access to health care with a team-oriented approach to health care that focuses on harm reduction and integration of behavioral and medical services.	"Because homelessness is an experience, not an identity"—Board Member
Proposed Update 2	Our mission is to improve the health of <b>people without homes</b> in Contra Costa County by increasing access to health care with a team-oriented approach to health care that focuses on harm reduction and integration of behavioral and medical services.	
Proposed Update 3	Our mission is to improve the health of <b>unsheltered persons</b> in Contra Costa County by increasing access to health care with a team-oriented approach to health care that focuses on harm reduction and integration of behavioral and medical services.	
Proposed Update 4	Our mission is to improve the health of <b>those experiencing housing insecurity</b> in Contra Costa County by increasing access to health care with a team-oriented approach to health care that focuses on harm reduction and integration of behavioral and medical services.	"try housing insecurity because not everyone wants to live in a home"—Board Member
Proposed Update 5	Our mission is to improve the health of the homeless population in Contra Costa County by increasing access to health care <b>utilizing a team-oriented approach</b> to health care that focuses on harm reduction and integration of behavioral and medical services.
